WESTRAL

Westral Roman Blinds, so stylish, so elegant and with so many fabrics to choose from. Fabrics include blackout, translucent, sheer and sunscreen plus we can bond your own fabric onto the Westral Roman system giving you a truly unique window covering. Optional decorative timber battens give a different look again. Adjustable to any position.

Fabric Ranges:

Blockout - Westral Blockout fabrics offer ultimate privacy, 24 hours a day plus they assist in keeping out the heat and the cold. Ideal for home theaters, television rooms and bedrooms. Wide variety of colours.

Translucent - Keep out the harsh sun whilst allowing a clear view into the room. Texture and patterns really make the Westral translucent fabrics a feature for your windows. Many styles to choose from.

Sheer - Daytime privacy with filtered views. Use as a double blind with blackout to give you all the options you need.

Sunscreen - Heat and light control plus retain your view. Reduce the glare plus you can use alongside a blackout to allow you the effect you want. Many colours to choose from.

Westral Roman Blinds are custom made right here in Western Australia to suit our harsh weather conditions. They are fitted with child safety devices as standard.
