Modern and sophisticated, Westral Panel Glide Blinds offer an alternative window covering that is truly fashionable. Minimalist design and sleek, they add elegance to all homes.

Used on large windows, sliding glass doors plus as room dividers, Westral Panel Glide Blinds give a stylish alternative to vertical blinds or curtains. The blinds are attached to a stylish headrail tracking system that incorporates smooth runners making them easy to operate.

With a choice of numerous colours available in block out, translucent, see through and sunscreen fabrics, there are almost too many to choose from. You can use various colours within one blind which will give your window a truly unique appearance. As there is so much choice, we will assist you where required. Westral Panel Glide Blinds can be matched to your vertical blinds, roller blinds and Roman blinds, which allow for a flow through design to your home, totally co-ordinating your window coverings.

Westral blinds give you unique quality products and they are all made right here in Western Australia for Western Australian homes using materials and components that suit our harsh climate. They are all made to measure, tailor made to suit your windows. Westral offer a wide range of attractive window coverings with an extensive choice of colours, materials, designs, finishes and control options.
